

"It's Our Duty to Remember."

Dear Memorial Society Sponsor,

The Philadelphia Vietnam Veterans Memorial Society would like to say "thank you" for your many years of supporting our 5K-10K Race. Sadly due high fees and taxes charged by the City of Phila. we were forced to cancel our Annual event (after 22 years). Because of the loyal support of our sponsors we were able to help many people in the Phila area get through some hard times. Primarily the proceeds of our events go to fund our Phila Vietnam Veterans Scholarship Fund. This fund has allowed us to help hundreds of Vietnam Veterans children get through college. We now have moved into helping Veterans grandkids with their college expenses.

Several years ago the Philadelphia Dragon Boat Assn. (former US National and World champions) heard of our plight. In a move of kindness and generosity they asked the area Veterans to join them in the Annual Dragon Boat Regatta. The D/B/R staff and participants have proven time and time again their support of the Veteran community. Without the support they have given us we would not be able to help our children and their children go to college.

What I ask our supporters is to again take a t-shirt sponsorship for this year's event. As always I include a "Sponsorship" form for you to review. The Memorial Society team members and supporters will all wear the Team shirt with our sponsors on the back. The event usually draws over 8 to 10 thousand visitors. As in previous years we will give our sponsors 1 t-shirt for each \$100 of sponsorship. We will also put our T-shirt sponsors in our monthly Veteran's newsletter.

We realize these are tough economic times and donations may be difficult. We ask that you do whatever you can it is always appreciated very much. Please feel free to contact me at any time with questions or problems. My cell # is 609-932-5158. As always feel free to join us at the Dragon Boat Regatta. This years Regatta will be held on Sat June 4th 2011.

Bill Crean

Thank you, for your long time support
Bill Crean
