Dear Brother Bill Crean:

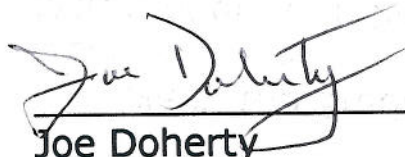

We at the Bradford County Veterans' Memorial Park Association wish to express our deep appreciation for your sacrificial gift of \$ 200.00.

It is good people such as you and your organization who make our mission easier to accomplish. Honoring our Veterans is not something we take lightly in our group.

We share with you the true meaning of words such as; honor, courage, integrity, faith, patriotism and Godly vision.

Again, on behalf of the Veterans of Bradford County and our association we thank you.

OK, that's our form letter. On a personal note, I never expected you great guys to respond to our task; you blew me away. I sincerely extend my thanks to John Kozin as well because I am sure he led you to us. Thanks again Bill.
